

CONCORD EDUCATION ELECTION UPDATE

CCGS Newsletter – March, 2025

PLEASE VOTE APRIL 8

Busy that day? You can [vote early in person](#) in the days leading up to election day or vote by mail.

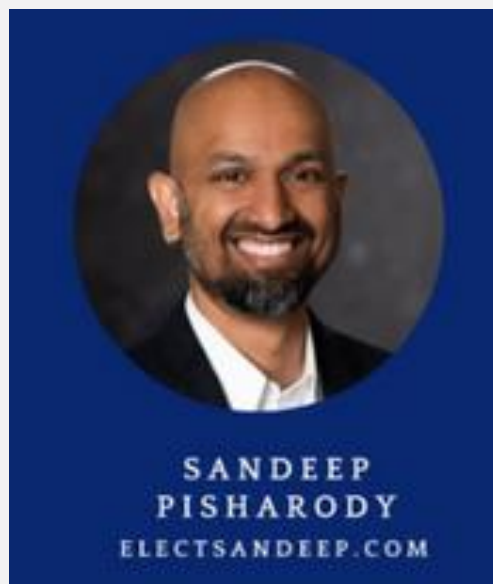

There is still time to apply online for a-mail in ballot [here](#) and if you need to register to vote, you can do so [here](#).

SCHOOL COMMITTEE CANDIDATE ENDORSEMENT

CCGS sat down with all three candidates and asked the same series of education-related questions.

On April 8th we will vote for (and are pleased to endorse) **Alexa Anderson** and **Sandeep Pisharody** for School Committee.

Both [Alexa](#) and [Sandeep](#) are dedicated volunteers and their commitment to working collaboratively with school leadership, fellow school committee members, and other town committees sets them apart.

As the incumbent, **Alexa** has led teacher contract negotiations and worked on the Middle School Building Committee to deliver that project on-time and under budget. A true civil servant who understands the power of education, she has given back to our community non-stop since her kids were in nursery school.

As a member of the Thoreau PTG and current Treasurer of the Concord Education Fund, **Sandeep** understands budgets, support for educators, and volunteer committee work. As a first-generation immigrant to the US, he champions diversity and the importance of every Concord student having what they need to thrive.

Alexa and Sandeep don't just say they want to support Concord educators and students; they actively volunteer to ensure that success and **both are being supported in this election by all the current School Committee members** they will serve with, if elected.

Let's join together to move past re-addressing compromises reached or prudent investments in new buildings. Let's seek collaboration, so reasonable budgets can be agreed to, that meet the need and keep our shared tax burden in mind. Let's build an amenities building at CCHS so all Concordians, including those who use wheelchairs, can access community facilities. Let's elect officials who will work collaboratively **with** our excellent Superintendent, Principals and administrators in these trying times, to ensure Concord's great schools are supported as a foundational element of what defines our town.

We proudly endorse **Alexa Anderson** and **Sandeep Pisharody** for **School Committee** and hope you will join us in **voting for them April 8th**.

Action Items:

- 1) **Mark your calendars to Vote April 8th**.
- 2) **Attend an upcoming campaign event** to get to know Alexa and Sandeep. Alexa's [calendar](#). Sandeep's [calendar](#). You can also contact their campaigns for a yard sign, to make a donation, or volunteer to help in other ways.
- 3) **Help us grow our mailing list**. Please pass this on to involved parents and Concordians you know and have them [join our mailing list here](#).
